TROLLDEEP – free demo

Try the first two caves of the Trolldeep with four heroes. Takes about 30–45 minutes.

Print everything at "Actual size" / 100 %.
Check the 5 × 5 cm square on the ruler page.

Print these

- **01_tiles** – 2 sheets, double-sided (flip on long edge), thick paper. Cut along the dotted line.
- **02_cards** – 2 sheets, double-sided (flip on long edge), thick paper. 4 heroes, 9 monsters, 1 reference card.
- **03_figures** – single-sided. Score, cut, fold and glue back to back; fold the feet out.
- **04_rulers** – single-sided. Glue onto card.
- **05_book** – ordinary paper, double-sided. Rules + the demo's Adventure Book.

You also need

- Scissors or a craft knife, a glue stick, 6–10 ordinary six-sided dice and a paper clip per figure.

Liked it?

The full print-and-play has 18 rooms, 12 heroes, 30 goblins and trolls, three chieftains, 42 figures and a 50-page Rules and Adventure Book. Get it at **trolldeep.com**. Questions or feedback: hello@trolldeep.com

Made by a family on Funen, Denmark. Illustrations were made with the help of Adobe Firefly and then selected and adjusted for the game. You are welcome to share this free demo – please share the link to trolldeep.com rather than the files.
